Survey Questions

Prepared by Mario Longoria

What prompted you to enroll?

Prepared by Mario Longoria

Response Summary

- I am overseeing 5 construction projects right now and have 3 more coming/being responsible for Federal Funds/I want to have a full toolbox.
- Wanted assistance on planning for upcoming projects from beginning to end.

- Long desire to gain knowledge on project management to increase value to organization and self.
- Supervisor requested course.

Do you believe this workshop benefitted you in the way you expected it would?

Prepared by Mario Longoria

Response Summary

- Indeed it did. Most is “common sense” but require the tools & breakdown to understand and execute.
- I believe that it did greatly.
- It was very informative.
- Yes, extremely.
- More than expected, put things into perspective.

How do you think it will make your work easier, better, faster, more enjoyable – how will it help?

Prepared by Mario Longoria

Response Summary

- » It gave me the confidence to know I am on the right track and now I have the tools to be organized and on schedule.
- » It will help me with the task schedules and coordinating events.
- » It will assist in the breakdown of small and large projects alike.
- » Better job planning not only in the workplace, but personally as well.

What would make it even better?

- ❖ Where's the coffee?
- ❖ Coffee & fruit
- ❖ Provide snacks
- ❖ Less time management slides
- ❖ Computer assisted course
- ❖ Actual implementation
